A WORKSHOP FOR A NEW YEAR

Join us for a daylong workshop to explore astrology—past, present, and future. Drawing on the history of astrology, gain new perspectives on your natal chart through ancient wisdom, connect with the archetypal zeitgeist of the present moment using personal and world transits, and aim for the future horizon with integrated astrological practices for the year ahead.

Saturday, January 5th, 2019. 9:30 am to 4:30 pm with a lunch break.

Located at Rainbow Heart Studio in Berkeley, California.
